- **Please come to the choir room and initial your name accepting your spot in this group, as there are others who would like it if you choose not to accept it.**
- Mandatory Parent and Student meeting on **Tuesday June 4 @ 5:30 pm**
- Girls come to with your character shoes and don't wear baggy sweatshirts as you will be measured.
- Student Meeting **Friday June 7 @ 1:15 We will elect officers so look at the list and start thinking about who you would like to be your leaders. Forms and descriptions are in 21N.**
- Please come to both meetings with your summer calendar.

The energy you are feeling right now looking at this list, whether it is disappointment or elation, you have a choice on how you are going to direct it. Let's get it going in a positive direction. I promise whatever group you are in, with hard work and a positive attitude, we will accomplish great things.

Remember why you are in choir...TO SING WITH PEOPLE!!!
